5 **SEC. 101. PATIENT RIGHT TO MEDICAL ADVICE AND CARE.**

6 (a) IN GENERAL.—Part 7 of subtitle B of title I of
 7 the Employee Retirement Income Security Act of 1974
 8 (29 U.S.C. 1185 et seq.) is amended—

9 (1) by redesignating subpart C as subpart D;

10 and

11 (2) by inserting after subpart B the following:

1 **“Subpart C—Patient Right to Medical Advice and**
2 **Care**

3 **“SEC. 721. PATIENT ACCESS TO EMERGENCY MEDICAL**
4 **CARE.**

5 “(a) IN GENERAL.—To the extent that the group
6 health plan (other than a fully insured group health plan)
7 provides coverage for benefits consisting of emergency
8 medical care (as defined in subsection (c)), except for
9 items or services specifically excluded—

10 “(1) the plan shall provide coverage for bene-
11 fits, without requiring preauthorization, for appro-
12 priate emergency medical screening examinations
13 (within the capability of the emergency facility, in-
14 cluding ancillary services routinely available to the
15 emergency facility) to the extent that a prudent
16 layperson, who possesses an average knowledge of
17 health and medicine, would determine such examina-
18 tions to be necessary to determine whether emer-
19 gency medical care (as so defined) is necessary, and

20 “(2) the plan shall provide coverage for benefits
21 for additional emergency medical care to stabilize an
22 emergency medical condition following an emergency
23 medical screening examination (if determined nec-
24 essary under paragraph (1)), pursuant to the defini-
25 tion of stabilize under section 1867(e)(3) of the So-
26 cial Security Act (42 U.S.C. 1395dd(e)(3)).

1 “(b) UNIFORM COST-SHARING REQUIRED.—Nothing
 2 in this section shall be construed as preventing a group
 3 health plan (other than a fully insured group health plan)
 4 from imposing any form of cost-sharing applicable to any
 5 participant or beneficiary (including coinsurance, copay-
 6 ments, deductibles, and any other charges) in relation to
 7 coverage for benefits described in subsection (a), if such
 8 form of cost-sharing is uniformly applied under such plan,
 9 with respect to similarly situated participants and bene-
 10 ficiaries, to all benefits consisting of emergency medical
 11 care (as defined in subsection (c)) provided to such simi-
 12 larly situated participants and beneficiaries under the
 13 plan.

14 “(c) DEFINITION OF EMERGENCY MEDICAL CARE.—
 15 In this section:

16 “(1) IN GENERAL.—The term “emergency med-
 17 ical care” means, with respect to a participant or
 18 beneficiary under a group health plan (other than a
 19 fully insured group health plan), covered inpatient
 20 and outpatient services that—

21 “(A) are furnished by any provider, includ-
 22 ing a nonparticipating provider, that is qualified
 23 to furnish such services; and

24 “(B) are needed to evaluate or stabilize (as
 25 such term is defined in section 1867(e)(3) of

1 the Social Security Act (42 U.S.C. 1395dd)) an
 2 emergency medical condition (as defined in
 3 paragraph (2)).

4 “(2) EMERGENCY MEDICAL CONDITION.—The
 5 term “emergency medical condition” means a medi-
 6 cal condition manifesting itself by acute symptoms
 7 of sufficient severity (including severe pain) such
 8 that a prudent layperson, who possesses an average
 9 knowledge of health and medicine, could reasonably
 10 expect the absence of immediate medical attention to
 11 result in—

12 “(A) placing the health of the participant
 13 or beneficiary (or, with respect to a pregnant
 14 woman, the health of the woman or her unborn
 15 child) in serious jeopardy,

16 “(B) serious impairment to bodily func-
 17 tions, or

18 “(C) serious dysfunction of any bodily
 19 organ or part.

20 **“SEC. 722. OFFERING OF CHOICE OF COVERAGE OPTIONS.**

21 “(a) REQUIREMENT.—

22 “(1) OFFERING OF POINT-OF-SERVICE COV-
 23 ERAGE OPTION.—Except as provided in paragraph
 24 (2), if a group health plan (other than a fully in-
 25 sured group health plan) provides coverage for bene-

1 fits only through a defined set of participating
 2 health care professionals, the plan shall offer the
 3 participant the option to purchase point-of-service
 4 coverage (as defined in subsection (b)) for all such
 5 benefits for which coverage is otherwise so limited.
 6 Such option shall be made available to the partici-
 7 pant at the time of enrollment under the plan and
 8 at such other times as the plan offers the participant
 9 a choice of coverage options.

10 “(2) EXCEPTION IN THE CASE OF MULTIPLE
 11 ISSUER OR COVERAGE OPTIONS.—Paragraph (1)
 12 shall not apply with respect to a participant in a
 13 group health plan (other than a fully insured group
 14 health plan) if the plan offers the participant—

15 “(A) a choice of health insurance coverage
 16 through more than one health insurance issuer;
 17 or

18 “(B) two or more coverage options that
 19 differ significantly with respect to the use of
 20 participating health care professionals or the
 21 networks of such professionals that are used.

22 “(b) POINT-OF-SERVICE COVERAGE DEFINED.—In
 23 this section, the term ‘point-of-service coverage’ means,
 24 with respect to benefits covered under a group health plan
 25 (other than a fully insured group health plan), coverage

1 of such benefits when provided by a nonparticipating
 2 health care professional.

3 “(c) SMALL EMPLOYER EXEMPTION.—

4 “(1) IN GENERAL.—This section shall not apply
 5 to any group health plan (other than a fully insured
 6 group health plan) of a small employer.

7 “(2) SMALL EMPLOYER.—For purposes of
 8 paragraph (1), the term ‘small employer’ means, in
 9 connection with a group health plan (other than a
 10 fully insured group health plan) with respect to a
 11 calendar year and a plan year, an employer who em-
 12 ployed an average of at least 2 but not more than
 13 50 employees on business days during the preceding
 14 calendar year and who employs at least 2 employees
 15 on the first day of the plan year. For purposes of
 16 this paragraph, the provisions of subparagraph (C)
 17 of section 712(c)(1) shall apply in determining em-
 18 ployer size.

19 “(d) RULE OF CONSTRUCTION.—Nothing in this sec-
 20 tion shall be construed—

21 “(1) as requiring coverage for benefits for a
 22 particular type of health care professional;

23 “(2) as requiring an employer to pay any costs
 24 as a result of this section or to make equal contribu-

1 tions with respect to different health coverage op-
 2 tions;

3 “(3) as preventing a group health plan (other
 4 than a fully insured group health plan) from impos-
 5 ing higher premiums or cost-sharing on a partici-
 6 pant for the exercise of a point-of-service coverage
 7 option; or

8 “(4) to require that a group health plan (other
 9 than a fully insured group health plan) include cov-
 10 erage of health care professionals that the plan ex-
 11 cludes because of fraud, quality of care, or other
 12 similar reasons with respect to such professionals.

13 **“SEC. 723. PATIENT ACCESS TO OBSTETRIC AND GYNECO-**
 14 **LOGICAL CARE.**

15 “(a) IN GENERAL.—In any case in which a group
 16 health plan (other than a fully insured group health
 17 plan)—

18 “(1) provides coverage for benefits consisting
 19 of—

20 “(A) gynecological care (such as preventive
 21 women’s health examinations); or

22 “(B) obstetric care (such as pregnancy-re-
 23 lated services);

24 provided by a participating physician who specializes
 25 in such care; and

1 “(2) requires or provides for designation by a
 2 participant or beneficiary of a participating primary
 3 care provider;

4 if the primary care provider designated by such a partici-
 5 pant or beneficiary is not such a physician as described
 6 in paragraph (1), then the plan shall meet the require-
 7 ments of subsection (b).

8 “(b) REQUIREMENTS.—A group health plan (other
 9 than a fully insured group health plan) meets the require-
 10 ments of this subsection, in connection with the coverage
 11 of benefits described in subsection (a) consisting of care
 12 described in subparagraph (A) or (B) of subsection (a)(1),
 13 if the plan—

14 “(1) does not require authorization or a referral
 15 by the primary care provider in order to obtain cov-
 16 erage for such benefits, and

17 “(2) treats the ordering of other routine care
 18 related to the care described in subparagraph (A) or
 19 (B) of subsection (a)(1), by the participating physi-
 20 cian providing the care described in either such sub-
 21 paragraph, as the authorization of the primary care
 22 provider with respect to such care.

23 “(c) RULE OF CONSTRUCTION.—Nothing in sub-
 24 section (b)(2) shall waive any requirements of coverage re-
 25 lating to medical necessity or appropriateness with respect

1 to coverage of gynecological or obstetric care so ordered.
 2 Nothing in subsection (b) shall be construed to preclude
 3 the health plan from requiring that the obstetrician or
 4 gynecologist notify the primary care provider or the plan
 5 of treatment decisions.

6 **“SEC. 724. PATIENT ACCESS TO PEDIATRIC CARE.**

7 “(a) IN GENERAL.—In any case in which a group
 8 health plan (other than a fully insured group health
 9 plan)—

10 “(1) provides coverage for benefits consisting of
 11 pediatric care by a participating pediatrician; and

12 “(2) requires or provides for designation by a
 13 participant or beneficiary of a participating primary
 14 care provider;

15 if the primary care provider designated by such a partici-
 16 pant or beneficiary is not a physician as described in para-
 17 graph (1), then the plan shall meet the requirements of
 18 subsection (b).

19 “(b) REQUIREMENTS.—A group health plan (other
 20 than a fully insured group health plan) meets the require-
 21 ments of this subsection, in connection with the coverage
 22 of benefits described in subsection (a) consisting of care
 23 described in subsection (a)(1), if the plan—

1 “(1) does not require authorization or a referral
2 by the primary care provider in order to obtain cov-
3 erage for such benefits, and

4 “(2) treats the ordering of other routine care of
5 the same type, by the participating physician provid-
6 ing the care described in subsection (a)(1), as the
7 authorization of the primary care provider with re-
8 spect to such care.

9 “(c) CONSTRUCTION.—Nothing in subsection (b)(2)
10 shall waive any requirements of coverage relating to medi-
11 cal necessity or appropriateness with respect to coverage
12 of pediatric care so ordered.

13 **“SEC. 725. CONTINUITY OF CARE.**

14 “(a) IN GENERAL.—

15 “(1) TERMINATION OF PROVIDER.—If a con-
16 tract between a group health plan (other than a fully
17 insured group health plan) and a health care pro-
18 vider is terminated (as defined in paragraph (2)), or
19 benefits or coverage provided by a health care pro-
20 vider are terminated because of a change in the
21 terms of provider participation in such group health
22 plan, and an individual who is a participant or bene-
23 ficiary in the plan is undergoing a course of treat-
24 ment from the provider at the time of such termi-
25 nation, the plan shall—

1 “(A) notify the individual on a timely basis
2 of such termination;

3 “(B) provide the individual with an oppor-
4 tunity to notify the plan of a need for transi-
5 tional care; and

6 “(C) in the case of termination described
7 in paragraph (2), (3), or (4) of subsection (b),
8 and subject to subsection (c), permit the indi-
9 vidual to continue or be covered with respect to
10 the course of treatment with the provider’s con-
11 sent during a transitional period (as provided
12 under subsection (b)).

13 “(2) TERMINATED.—In this section, the term
14 ‘terminated’ includes, with respect to a contract, the
15 expiration or nonrenewal of the contract by the
16 group health plan, but does not include a termi-
17 nation of the contract by the plan for failure to meet
18 applicable quality standards or for fraud.

19 “(3) CONTRACTS.—For purposes of this sec-
20 tion, the term ‘contract between a group health plan
21 (other than a fully insured group health plan) and
22 a health care provider’ shall include a contract be-
23 tween such a plan and an organized network of pro-
24 viders.

25 “(b) TRANSITIONAL PERIOD.—

1 “(1) GENERAL RULE.—Except as provided in
 2 paragraph (3), the transitional period under this
 3 subsection shall extend for up to 90 days from the
 4 date of the notice described in subsection (a)(1)(A)
 5 of the provider’s termination.

6 “(2) INSTITUTIONAL CARE.—Subject to para-
 7 graph (1), the transitional period under this sub-
 8 section for institutional or inpatient care from a pro-
 9 vider shall extend until the discharge or termination
 10 of the period of institutionalization and also shall in-
 11 clude institutional care provided within a reasonable
 12 time of the date of termination of the provider sta-
 13 tus if the care was scheduled before the date of the
 14 announcement of the termination of the provider
 15 status under subsection (a)(1)(A) or if the individual
 16 on such date was on an established waiting list or
 17 otherwise scheduled to have such care.

18 “(3) PREGNANCY.—Notwithstanding paragraph
 19 (1), if—

20 “(A) a participant or beneficiary has en-
 21 tered the second trimester of pregnancy at the
 22 time of a provider’s termination of participa-
 23 tion; and

24 “(B) the provider was treating the preg-
 25 nancy before the date of the termination;

1 the transitional period under this subsection with re-
 2 spect to provider's treatment of the pregnancy shall
 3 extend through the provision of post-partum care di-
 4 rectly related to the delivery.

5 “(4) **TERMINAL ILLNESS.**—Subject to para-
 6 graph (1), if—

7 “(A) a participant or beneficiary was de-
 8 termined to be terminally ill (as determined
 9 under section 1861(dd)(3)(A) of the Social Se-
 10 curity Act) prior to a provider's termination of
 11 participation; and

12 “(B) the provider was treating the termi-
 13 nal illness before the date of termination;
 14 the transitional period under this subsection shall be
 15 for care directly related to the treatment of the ter-
 16 minal illness.

17 “(c) **PERMISSIBLE TERMS AND CONDITIONS.**—A
 18 group health plan (other than a fully insured group health
 19 plan) may condition coverage of continued treatment by
 20 a provider under subsection (a)(1)(B) upon the provider
 21 agreeing to the following terms and conditions:

22 “(1) The provider agrees to accept reimburse-
 23 ment from the plan and individual involved (with re-
 24 spect to cost-sharing) at the rates applicable prior to
 25 the start of the transitional period as payment in

1 full (or, in the case described in subsection (b)(2),
2 at the rates applicable under the replacement plan
3 after the date of the termination of the contract with
4 the group health plan) and not to impose cost-shar-
5 ing with respect to the individual in an amount that
6 would exceed the cost-sharing that could have been
7 imposed if the contract referred to in subsection
8 (a)(1) had not been terminated.

9 “(2) The provider agrees to adhere to the qual-
10 ity assurance standards of the plan responsible for
11 payment under paragraph (1) and to provide to such
12 plan necessary medical information related to the
13 care provided.

14 “(3) The provider agrees otherwise to adhere to
15 such plan’s policies and procedures, including proce-

17 thorization and providing services pursuant to a
18 treatment plan (if any) approved by the plan.

19 “(d) RULE OF CONSTRUCTION.—Nothing in this sec-
20 tion shall be construed to require the coverage of benefits
21 which would not have been covered if the provider involved
22 remained a participating provider.

23 “(e) DEFINITION.—In this section, the term ‘health
24 care provider’ or ‘provider’ means—

1 “(1) any individual who is engaged in the deliv-
